

# THE APPLE

In the heart of BloodMoon Valley, ancient apple trees grow among the misty hills. Travelers who pay attention may discover their fruit.

To obtain an apple:

1. Approach a BloodMoon Valley apple tree.
2. Click the tree to make an apple fall.
3. Pick it up to add it to your inventory.

## How to Eat an Apple

Once collected, the apple must be used correctly to benefit from its properties.

1. Wear the apple from your inventory.
2. Click the worn apple.
3. An eating animation will play.
4. Your vital energy will be restored.

## Effect

When a Human eats an apple:  
+20 Liquid Vital is restored.

## Restriction

Only Humans can consume apples.  
Vampires, Lycans and Hybrids cannot eat them directly.

## For Loyal Humans

Creatures of the night cannot eat apples, but they may give them to loyal humans.  
A Vampire, Lycan or Hybrid may offer an apple to a devoted human so they can recover Liquid Vital and continue serving... or feeding those they are bound to.

## Traveler's Advice

Wise humans always keep a few apples when traveling through BloodMoon Valley.  
In a world where Liquid Vital is the key to survival, even a simple apple can make the difference between strength and weakness.
