

THE REFRESH POTION

ReFresh Potion – The Ultimate Reset of Your BloodMoon Character

What is the ReFresh Potion?

The ReFresh Potion is a powerful and irreversible item.

It allows you to:

Permanently delete your BloodMoon character

Leave the BloodMoon system completely

Reset your entire progression

Important – Read Carefully

Using this potion will permanently erase:

Your race (Vampire / Lycan / Human / Hybrid)

Your Vital Liquid

Your Souls

Your Victim history

Your Clan links

Your Items

Your Progression

Your Statistics

If you are the owner of a clan:

Your clan will be deleted.

All remaining members will be automatically transferred to the default clan: BloodMoon Pack
(Clan ID 6).

This action is 100% irreversible.

There is no recovery possible once confirmed.

How to Use the ReFresh Potion

1. Wear the potion in your right hand.
2. A message will appear in local chat.
3. Click the potion while holding it.
4. Choose “Drink” from the menu.
5. You will receive a WARNING message.
6. Click YES to confirm permanent deletion.

If you click NO, nothing happens.

What Happens After Confirmation?

Your character is deleted from the BloodMoon database.

The potion becomes empty.

Your BloodMoon existence ends.

If you wish to return, you will need to register again as a brand-new character.

Who Should Use It?

The ReFresh Potion is recommended for players who:

Want a complete reset

Wish to change their role entirely

Want to leave the BloodMoon RP system

Need a fresh start

Final Warning

This potion is not a joke item.

Think carefully before using it.

Once you confirm, there is no way back.
